

CIVIC GROUPS MEET TO PLAN COMMUNITY CENTER

Some 60 people representing civic, fraternal, and veterans' organizations, churches, service clubs and laymen met Wednesday night in the Veterans' Memorial Building in a lively discussion on the youth problems of Albany.

Mason Layton, Past Commander of the American Legion, chaired the meeting and the group voted favorably that there was a need for an adequate community recreation building in Albany.

A plan of action was adopted by the group whereby each organizational representative will report to his organization on the need for a community recreation building in the city, and each club or group will poll its members on the question whether or not they desire to support a movement for an adequate recreation center.

Mason Layton was elected temporary chairman and Gilson M. Talmadge, secretary.

Layton stated that March 31 was established as a deadline for written expressions of all organizations. He added that if the majority of civic, fraternal and other organizations respond favorably by letter, a meeting will be called around the first of April and permanent committees established to promote a community recreation center building.

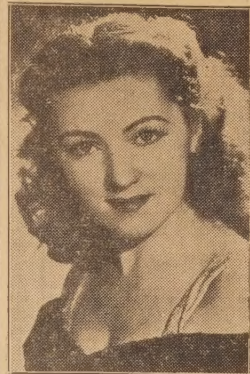

Among those speaking on the community center problem were: Father Charles E. Jackson, Eugene Baker, Elmer Venter, M. D. Gordon, Arthur Smith, Ralph Buckwalter, George Glavinovich, Elmer Coble, Sally Nelson, Edgar King, R. M. McAllister, E. D. Bonds, Ed Howell, Bill Hastings, Lloyd J. Hogan, Fred Pimental, Jerry Trompson, Ralph Beemer, and Robert Staunton.

Quota for Albany Set in Red Cross Fund Campaign

Albany will be asked to raise \$4,225 as its share of the \$100,000 quota set for the Berkeley-Albany-Kensington area in the Red Cross annual fund campaign opening March 1.

Harold Olson, local chairman for the drive stated that the campaign is conducted each year to raise funds for the necessary relief, educational and health programs and many other services of the American National Red Cross.

Mrs. Richard Moulthrop, chairman of Albany residential collections, said that she feels Albany will be successful in fulfilling their quota because of the enthusiasm and whole-hearted support she and her area chairmen have been receiving from the many citizens offering their support for the campaign.

Pierrette Alarie, coloratura soprano from the Metropolitan Opera, who will sing here next Wednesday night.

Pierrette Alarie To Appear Here In Concert Series

Pierrette Alarie, charming coloratura soprano, winner of the "Metropolitan Auditions of the Air," will be heard Wednesday night, Feb. 18, at the High School auditorium as the second artist to appear in the winter season of the Community Concert series for Albany.

The comely young French-Canadian made her professional debut at the age of 14 over radio station CKAC in Montreal, Canada, and later had her own program "Rhythm and Melodies." Professional engagement came easily and she was kept busy with radio, concert and dramatic stage work until 1945 when her performance of the Bell Song from "Lakme" won her honorable mention as a finalist in the Metropolitan Auditions of the Air. Four months later she had a contract as a full-fledged member of the Met.

Miss Alarie comes by her musical talents naturally for her father was a noted orchestral conductor in Montreal and her mother a leading soprano of that city. Her first lessons were with the Sisters of Notre Dame congregation in Montreal. While in her early teens she began voice study with Albert Roberval and dramatic coaching with his wife, Jeanne Mauborge, a former opera singer.

Local Firm Will Draw Plans for Cornell School

At their regular monthly meeting on Tuesday night, Feb. 10, the Albany Board of Education named the local firm of Young and Lloyd as architects to draw up the plans for the new Cornell School building to be erected on Talbot Ave. The new structure will include ten class-rooms, a cafeteria and the administration offices of the Superintendent of Schools and his staff.

This new building will replace the old Cornell school on Solano Ave. built in 1908 as the first school in Albany. The supervisory offices to be moved into the new school will release much needed space in Marin School for classrooms. After the plans have been approved by the State Division of Architecture, construction bids will be called for by the School Board.

The Board considered recommendations of the development of Memorial Park as a physical education and recreation center. The plans were presented by the student body officers of Albany High School, members of the physical education department, athletic coaches and school administrators.

The plan includes the incorporation in the park of a track field, baseball diamond and a football field. Bleachers would be permanently installed on the south side of the field to seat 1500 with storage space beneath. "Knock-down" bleachers would be put on the north side to be used during football season. The recommendations were designed to meet the needs of the teen-age youth of Albany for facilities of their physical education program during school hours and for recreation at other times.

Myles Perkins, members of the Board of Education, in speaking for the Board, said, "The proposed plan for the development of Memorial Park to better serve the needs of Albany youth in both the regular physical education program of Albany High School and in the after-school recreation programs of the City meets with the whole-hearted support of the Board of Education. The plans will be drawn up and submitted in the near future to other interested organizations, in order to be assured that whatever proposal is finally accepted in the development of Memorial Park will provide the very best facilities possible for the young people of Albany."

Mary's and Joe's Offer Amazing Bargains at Big Clearance Sale

Mary's and Joe's Department store at 913 San Pablo Ave. is an Albany institution. The original store, one of the first in Albany, was opened by Carlo Carlevaro way back in the days when this city was just a scattering of homes and the citizens got around town on board sidewalks. The senior Carlevaro died during the last war and his son Joe and daughter, Mary took over management of the establishment.

The store has grown with the community, but never in their long history have they held such a sale as opened today. They are clearing out practically their entire stock to make way for alterations and it promises to be a big event for bargain-hungry shoppers.

In the face of present prices such bargains in men's and women's wear as offered at Mary's and Joe's seem impossible. But they are doing it and the next few days should make new history for this historic old Albany business firm. Full details of the amazing sale is on pages four and five of this issue.

Local Salesman Dies Suddenly at Home

Funeral services were held Saturday, Feb. 7 for George D. Reavey, 53, a salesman for Call Brothers Jewelers in Albany, who died suddenly of a heart attack in his home on Feb. 4. A former employee of the Internal Revenue Department, Mr. Reavey had lived in Berkeley for the past five years. He made his home at 2818 Telegraph Ave., Berkeley.

Surviving him are his widow, Grace M. Reavey, a sister, Mrs. J. P. Reavey, of Berkeley and a brother, Francis Reavey of Maryland.

Saturday Last Day to File Application for CS Patrolman Exams

Jack O'Leary, secretary of the Albany Civil Service Board, this week reminded those intending to file for positions of patrolman in the classified service of the Police Department that they have only until Saturday, Feb. 14, to get in their applications. All applicants must file not later than 12 noon on that date. A filing fee of three dollars is required of applicants. Application forms and information pertaining to the examinations may be obtained at the City Hall, 1045 Solano Ave.

To qualify for the position of patrolman, applicants must be between the ages of 21 and 35 years, and be not less than five feet nine inches in height. Required weight of patrolmen is 155 pounds.

A promotional examination for patrolmen to the eligible list for sergeant will be held at the same time. Applicants must file their application by 12 noon, Feb. 14. No filing fee is required for the sergeant's examination.

City Council Puts Pension Revisions on April 12 Ballot

The City Council on Monday night authorized City Attorney George Glavinovich to draw up a ballot proposal for the April 12 elections to increase police and fire pension contributions from four to six per cent. They also voted to hire actuaries to study the police and fire pension system and to determine if pensions for other city employees can be financed. Council members expressed the hope of eventually having Albany included in the State Retirement System.

The action was the result of a request from Cecil N. Lavers, attorney for the Police and Fire Civil Service Club, sponsors of the pension plan to be voted upon in April. Lavers also asked that the council withdraw from the ballot parts of the pension plan dealing with beneficiaries of police or firemen killed or dying while in service. These proposals had been found financially impossible.

After considerable discussion, Councilman Raymond F. Cleary made the motion to increase the pension but said he was doing so "reluctantly" as he felt sure six per cent was not enough to put the pension system on a sound financial basis.

The regular councilmen were aided by members of the Boy Scouts observing Scout Week in honor of the 38th Anniversary of their organization. Members of local Scout troops sat with the city officials to learn how the various offices function. Mayor Lawrence Williams commended the boys for their interest and alertness shown during the meeting.

Legion Auxiliary to Show Spring Fashions

The annual Chums and Valentine dinner of Albany Unit 292, American Legion Auxiliary, was enjoyed by 54 members last Friday evening at the Veterans Memorial Building. Assisting Miss Marjorie Stott, general chairman of the affair, were the Mesdames Vendla Stewart, Edith Jones, Mabel Nelson, Una Rodrick, Zella Lindh and Jessie Bench. Table decorations were handled by Eleanor Martin, Agnes High, Dorothy Bradley and Juanita Cooke.

After the dinner the regular business meeting was held and a program presented by Mrs. Elmae Olson. Plans were completed to hold a Spring Fashion Show which will be presented by Mrs. Kay Petry, owner of Kay's Specialty Shop, on Wednesday evening, March 10.

The show will feature all the latest fashions in spring clothes and musical numbers to background the entertainment. The public is invited. Tickets will be 75 cents and a valuable door prize will be awarded.

General chairman for the show is Mrs. Agnes High who is being assisted by Mrs. Rose Albin, Jessie Fay, Hazel McDuffee, Mildred Schutter and Margaret Hanahan. The Past President Parly Association will hold their regular meeting on Friday evening, Feb. 13, at the home of the Unit President, Mrs. Margaret Hanahan, 844 Ramona Ave. The meeting will be preceded by a buffet dinner at 6:30.

Baseball Talk at Exchange Club's Dads, Sons Night

Youngsters of all ages attended the Tuesday night meeting of the Albany Exchange Club with their dads, uncles or neighbors as guests of the club on Dads and Sons Night for a dinner and entertainment at Cook's. Approximately 100 guests crowded the dining room for the program which was strictly baseball.

Program Chairman Sid Weinzeimer, aided by President Art Smith, R. F. Cleary and Robert Taylor, presented a number of baseball stars for the evening of sports talk and autograph signing.

Among the baseball luminaries entertaining the Exchanges and their guests were Bernie DeVivero, scout for Detroit; Tom Hafey, Oaks pitcher; Brooks Holder, outfielder for the Oaks and Frank Shane, another Oakland outfielder. Also present was Augie Galan, Cincinnati Reds star; Alan Ward, Oakland Tribune sports writer and Jake Nora, local umpire.

Master of Ceremonies Frank Gira, Exchange and former Coast League player introduced the guests. DeVivero gave an interesting and instructive talk on "Baseball Fundamentals."

Coast League baseballs were raffled off to the dads and a Coast League bat and two autographed baseballs, presented by Henry Villa, were raffled free to the boys.

High School Dads Club International Night Planned for Tuesday

The High School Dad's Club will hold their first International Nights on February 17 at the High School gymnasium with a round table discussion on the topic "World Social and Economic Changes Since the War." The program will start at 8 p. m. and all residents and their entire families are invited.

Five outstanding University of California students from five different countries will be present to talk on the subject with particular reference to the areas from which they come.

Chairman and moderator for the evening will be Cyril Reid from Hartfordshire, England. Reid is a graduate student doing research in physical chemistry. He was engaged in research work during the war and played an important part in the perfection of the war-born plan for recovering magnesium from sea water.

Members of the round table will include Rafael Rodriguez, a graduate of the University of Costa Rica; Garzey Laurent from Haiti; William Milligan of Aarhus, Denmark; and Srinivasa Balaraman from India.

Rodriguez is majoring in biology and studied at the Audubon Nature Camp in Maine last year. He is also a talented artist and has promised to bring some of his work for exhibition. He was active in Boy Scouting in his native Costa Rica.

Laurent, an Economics major will give a description of conditions in the West Indies while Milligan will tell of post-war conditions in the European low countries. Milligan is a student of Business Administration and plans to enter the export-import business after graduation.

Balaraman is an engineering major and was associate engineer of the Madras Electrical Tramway Company in Madras, India, before coming to this country to continue his studies. He is expected to give the audience some first-hand information on the present unrest in India.

Members of the Dads Club will each take one of the students as his guest for dinner on the evening before the meeting.

Cub Pack 3 Mothers Hold Feb. Meeting

The cub mothers of Pack No. 3 held their February meeting at the home of Mrs. Kenneth Kinney, 505 San Pablo Ave., on Monday night, Feb. 9. Hostesses for the evening were mothers of Den 5. They included Mesdames Robert Rogers, A. C. Ettinger, William Pemberton, Wayne Rogers and Phillip Meads. Plans were completed for a Pot Luck supper to be held on March 5 at Marin School. Mothers are asked to bring dishes and milk for their own families. Other business included nomination of Mrs. Roy Burns as secretary to replace Mrs. Bernice Rogers who has resigned.

ALBANY JOINS STATEWIDE MOVE FOR VOLUNTARY CONSERVATION OF POWER

MORGAN'S MEANDERINGS

By M. S. T.

"Let George Do It" seemed to be the attitude of many Albany night spots along San Pablo and Solano Aves. Wednesday night when the voluntary power conservation movement was officially started. In fact, George's eatery and drinkery on San Pablo was one of the few whose neon sign was not blazing full blast.

Sure it is the shamrock you'll be wearin' if you go to the Police and Fire Civil Service Club's second annual dance on March 12. They have taken a St. Patrick's Day theme for the big affair and the wearin' of the green will be the order of the evening.

Joe Villa enplaned for Albuquerque, N. M., Wednesday to represent the family at the funeral of his uncle who passed away there after a prolonged illness.

Betty and Joe Allison, retired restaurateurs, returned from an eight weeks jaunt to Florida. They reported three days of good weather during the entire trip. Glad to be back in good old California? Yeah, man, Florida Chamber of Commerce please copy.

Seriously ill in the Albany Hospital this week is Mrs. Emmet Devine, wife of Albany's Assistant Recreation Director.

Youngsters all 'round town are readying their dolls for the Recreation Department's annual doll show on Feb. 27. This event draws out some mighty fine examples of dolls as hobbies and those for just plain childhood entertainment.

Villa's Introduce New Advertising Policy

Villa's Markets this week announced a new advertising policy. It has been customary in the past to list special prices in their weekly ads to be effective until Saturday night. Due to heavily congested traffic conditions and stocks being depleted by sales, many customers have found it difficult to purchase sales items and shop with ease.

So that their customers may shop for all values offered on a day when traffic and shopping conditions are more favorable, Villa's are extending their ads to read through Sunday and Monday.

Villa's suggest buyers make a test for themselves by doing their heavy shopping on Monday when conditions are more ideal and traffic is less congested.

In addition to this new offer, they point out that they advertise only items they can deliver to meet the requirements of their customers.

"If you hear it on the radio, read it in the newspapers or magazines or see it on billboards, you are almost sure to find it at Villa's, and always at everyday low prices."

Marin Dads to Fete Daughters at Party

Dad will ask his daughter to "be his Valentine" when the Marin Dads Club have their annual Valentine party on Friday night, Feb. 13, in the school auditorium.

Bob Giger, program chairman has arranged a program of entertainment for the girls and their dads. Ed Combs will be Master of Ceremonies.

Numbers on the program will include dances by the Misses Shirley Lee Dunker, Patricia Morehead and Sue Edwards, under the direction of Mrs. Eleanor Edson, dance director. The girls' club of Marin School will sing several numbers under the direction of Mrs. Lois Bunyard. Other entertainment will feature John Talbot singing, Albert Liotta in song impersonations, a singing and dancing specialty number and several color cartoons. Refreshments will be served.

New Driving Course

Albany residents interested in enrolling in the new auto-driving classes to start in March at the Albany Evening High School should leave their names at once with the principal. Telephone LA. 5-1757 (days) or LA. 5-7131 (evenings). Residents of Albany are called from the waiting list before those from other communities, but the present list of Albany people is almost depleted.

Wednesday, Feb. 11, 1948, was D-Day in Albany.

On that day the gaudy neon signs on San Pablo and Solano Aves. went out. Window display lights and extra illumination in stores and business houses were reduced to a bare minimum. In homes, thoughtful housewives turned off lights when they were not needed and cut down on the use of electric appliances. Albany had joined "Operation Brown-Out" and the battle for electricity was on.

PROCLAMATION

As Mayor of the City of Albany, I call upon all citizens of Albany to give their whole-hearted co-operation to the electric power conservation program now under way.

As indicated by statements of Governor Warren, President Mittelstaedt of the California Public Utilities Commission and officials of the Pacific Gas and Electric Company the present situation is very serious. Several months of drought has resulted in a serious shortage of water throughout the State. Likewise, the lack of snow-fall in the mountains has left a very light snow pack upon which to draw during the melting period next spring and summer. Although the rain and snow of the past few days will help, it has not been sufficient to overcome the deficiencies which already existed.

Since this is a situation which affects the welfare of the entire State and all of its citizens, I urge everyone in the City of Albany to conserve as much electricity as they can in every possible way. By so doing they will help to save badly needed water for agriculture, power, and other essential uses next summer.

L. F. WILLIAMS,
Mayor of the City of Albany.

Eagles to Honor 50th Birthday Of Organization

Albany's Bayview Aerie 3233 will join in the nationwide celebration of the 50th Anniversary of the founding of the Fraternal Order of Eagles with a gala Valentine Dance at Painters Hall on San Pablo Ave. in El Cerrito on Saturday night, Feb. 14.

The dance will be the prelude to a celebration on Monday night, Feb. 16 at which time the regular monthly initiation of new members will take place. This affair will be designated as Golden Anniversary Night with a special program and after-meeting feed in the banquet room.

President Matt Zack and Steering Committee Chairman Charles Woodstock have asked Aerie members to bring in as many new members as possible for the big night and urged all members to be present.

TWINS BORN

Twins, a boy and a girl were born to Mr. and Mrs. Leonard W. Schifsky, 924 Santa Fe Ave., at Herrick Memorial Hospital on Feb. 8.

Americanism Week

Mayor Lawrence F. Williams Monday night proclaimed the week of Feb. 12-22 as Americanism Week and called upon all residents of Albany to join the nation in rededicating their faith in the American way of life.

Speaking for the Albany Junior Chamber of Commerce, sponsors of Americanism Week, Robert Woolworth explained the purpose of the week of patriotism and told of how students at Albany High School are to participate.

Woolworth stated that he and Herb Foley, as a committee of two, have completed plans for two contests for students at the high school. The art class will hold a poster contest with a prize of \$5.00 for the student making the best poster depicting the theme of Americanism week.

An essay contest on Americanism, open to all students will have a prize of five dollars. History classes will devote two class periods to discussions of Americanism during the week.

The next meeting of the Scout Mothers' Club of Troop No. 42 will be held February 17 at the home of Mrs. George Frederickson, 1028 Tevlin St., Albany.

L. F. WILLIAMS,
Mayor of the City of Albany.

We've put in
2 1/4 MILLION
TELEPHONES
since V-J Day

1. We had to break records...and we did. To-day we're serving over one-fourth more telephones than at the war's end—a net gain of three-quarters of a million. And, since every day many customers move, we actually had to install more than two and a quarter million telephones to make this gain.

2. Complex splices like this—thousands of them—went into the two million miles of wire we've put in. And that's only part of the story—more than 200 new buildings or additions...complex new switching equipment in almost all our buildings...these and other facilities are being added in the face of sharply rising costs and tough supply problems.

3. We're still working against time. Orders continue to flood in. To fill service needs we're adding facilities at the rate of more than half a million dollars a day—every day. A huge investment, yes. But telephones have been going in as never before in the West. And as the system grows, your telephone service becomes more valuable still.

4. Where does the money come from...millions of new working dollars needed to extend and improve service? Millions must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This requires the sale of our services at fair and adequate prices.

There isn't always room
for one more

Aboriginal Annie has reached the height of her social career—if those neck ringlets mean anything. There just isn't "room for just one more."

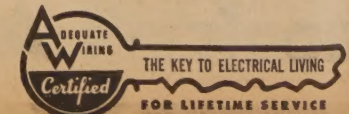

And likewise, a good many of today's homes—even the new ones—have reached the height of their electrical careers, simply because they are so inadequately wired. There just isn't room for one more electrical appliance without overloading the circuits and blowing fuses.

If you plan to build or modernize your home, insist on Adequate Wiring to guarantee yourself maximum comfort and convenience in this era of electrical living.

To insure peak operating efficiency of all your appliances, "Adequate Wiring" requires:
enough switches
enough electric outlets
enough circuits
heavy enough wire throughout

Tell your architect or building contractor you want Certified Adequate Wiring

HIGH SCHOOL DANCE

Albany High School students will hold a dance in the school gym on Friday night, Feb. 13. Jackie Kerr, girls commissioner, is in charge of arrangements.

"I AGREE
...it's the
finest tasting
ACME
ever brewed"

a tangy, zestful flavor
I've never enjoyed
before in any beer..."

says
RUSS BYRD
San Francisco's Favorite
"Singing Host"

You'll agree, too, that here is the crowning achievement of nearly a century of brewing skill and experience... truly all that a man could want in a glass of beer.
